

Return2Learn Vacation courses are a hit with Barnet staff and their Tutor

Annual leave is precious to all staff, it is a time to relax and recuperate, catch up with family and friends, visit places near and far and enjoy new experiences. Some of our staff working in our Schools used part of their holidays to learn new skills. The staff above attended one of our FREE one week Return2Learn ICT Summer vacation courses and thoroughly enjoyed themselves. They learnt new skills, enhanced existing skills and made new friends. Our Tutor; Fitz, who has also given up some of his vacation time to teach told me “I always enjoy teaching Barnet staff. I’m so glad to have met these ladies, they are a great bunch. I have really enjoyed teaching them and I’m looking forward to teaching a new group next week”
