

Pay Surgeries

“Are you being paid enough?”

“Are you being paid correctly?”

“Did you get your annual pay award?”

Pay is a big issue for all of our members regardless of the employer.

Costs are rising for all of us and there is no sign of **Pay** rising.

It is therefore really important that we try to ensure all of our members are being paid correctly.

This is why we are offering a 1:1 meeting for UNISON members who would like to talk to us about their pay issues.

If you are a Barnet UNISON member and want to have a **Pay Surgery** with a UNISON rep, please contact the Barnet UNISON Office on 0208 359 2088 or email contactus@barnetunison.org.uk
