

#ScrapTheCap

How much have you lost?

You really need to take a few minutes and read this flyer.

#Austerity has robbed our members. But the amount it has taken from the mouths of our members and their families is quite simply **daylight robbery**.

In order to help our members understand the sheer scale of what has been taken from them we have made use of the UNISON pay calculator. The pay calculator helps give members an idea of how your pay has fallen behind the cost of living over the last seven years. Overleaf the calculator shows how much you should really be earning. To work out your own go on to this link on the UNISON website. <https://www.unison.org.uk/our-campaigns/pay-up-now/>In Barnet Council we now have a new grading system which starts at A and finished at L.

We have produced a flyer for each Grade.
