We need you, We want you to attend Barnet UNISON Annual General Meeting AGM

Dear Barnet UNISON member,
I hope you will be able to attend the AGM as it is important that as many of our members as possible take part in this meeting.

The impact of Austerity policies is increasingly having a detrimental impact on the **health and wellbeing** of our members. The year on year cuts to jobs and services means there are fewer staff and increased, and in some cases dangerous, workloads.

The increase in case work for the branch, both formal and informal, to support individual members is increasing across the Council and its partner organisations.

Barnet Council is looking to deliver **£70 million of cuts** over the next four years. This **will** impact on our members.

It is important to me that our branch does all that it can with limited resources to support all of our members. We need to agree business and plans for the year at the AGM. We can only formally do this if we are quorate.

This is why we need to have a good turnout of our members at our AGM.

We have three speakers and are providing food and refreshments.

Best wishes

John Burgess, Branch Secretary, Barnet UNISON.
