

# SAVE BARNET LIBRARIES WE NEED YOU...

... to join us at Hendon Town Hall at 7pm on **12 October** for the Council Meeting where the final proposals for our service will be announced.

Maybe you signed the petition, joined a Save Barnet Libraries march, took part in the consultation?

Maybe you've read the report of the consultation and know that more than 90% of Barnet residents oppose the council's three options for cuts to library services, closure of libraries, and unstaffed opening hours?

**Now make sure your views are represented.**  
Come to the Children, Education, Libraries and Safeguarding committee meeting, starting at 7pm sharp,  
at **Hendon Town Hall on 12 October**
