

Family Services Drop In sessions.

In order to find a way to support our members working in Family Services Barnet UNISON is offering two lunchtime informal drop in opportunities.

Every Tuesday from 12.30 – 1.30 Helen Davies, Barnet UNISON Branch Chair, will be in the Atrium in order to meet with any Family Services member wanting a chat and or some advice.

Every Thursday from 12.30 – 1.30 John Burgess, Barnet UNISON Branch Secretary, will be in the Atrium in order to meet with any Family Services member wanting a chat and or some advice.

Beverley Berrick, Family Services UNISON rep, will also attend some of these Drop Ins.

UNISON meeting G2, NLBP

Tuesday 12th September 12 noon

Our meetings are a key opportunity to receive feedback from UNISON reps about discussions taking place with Senior Managers and to receive feedback from you.

Family Services is going through a critical time and everyone is concerned that the workforce remains as stable as possible throughout. Therefore UNISON meets with senior managers in Family Services every week to catch up on issues and developments. The picture appears to be encouraging.

One big improvement is that caseloads are now around 17. If this is not the case for you, please do let us know (as well as taking it up with your manager).

If you need support or advice you can contact Barnet UNISON office on 0208 359 2088 or email [**contactus@barnetunison.org.uk**](mailto:contactus@barnetunison.org.uk)
