### BARNET ALLIANCE FOR PUBLIC SERVICES

We are an active, broad alliance of local residents and community organisations who want to stand up for effective, publicly owned and accountable public services in Barnet.

We believe that public services strengthen our community and should not suffer through privatisation or closure because of political ideology or the global banking crisis.

We have open meetings every Wednesday from 6pm at the Greek Cypriot Centre, Britannia Road, London N12 9RU. Please come and join us and if you want to know more email [BarnetAlliance4PublicServices@gmail.com](mailto:BarnetAlliance4PublicServices@gmail.com) or see our website:

# ONE BARNET: THE BILLION POUND GAMBLE

You wouldn't risk buying a car if there were a 25% chance the wheels would fall off, so why are Barnet Council risking over £1 billion of our money on the One Barnet Programme?

## What is the One Barnet Programme?

The One Barnet Programme, originally dubbed 'easyCouncil' by its creators, is the wholesale privatisation of Barnet's public services. The next two major contracts are due to be signed this autumn and we need to stop it.

## How do we stop it?

There are many actions you can take that will help change our local councillors' minds. Here are just a few.

- *Join us at the Torch Relay and Parade on Saturday, 21 July*
- Meet/Write/Email your local councillor
- Sign BAPS petition
- Leaflet your road

## TOGETHER WE CAN STOP BARNET COUNCIL'S 'ONE BARNET' PRIVATISING DISASTER

Barnet Alliance for Public Services supports the TUC's 'A Future That Works' campaign. To find out more, text 'Our Barnet' and your postcode to '85515' (texts cost standard network rate)
