

MARCH FOR LIBRARIES!

Join the march to support our libraries

Saturday 25th April – 11:00am

Chipping Barnet Library to Osidge via East Barnet

Meet at the Spires Bandstand where **London Metropolitan Brass** will start the march.

Save Barnet Libraries is campaigning for a properly comprehensive service maintained, enhanced and run by professional librarians and library workers employed by Barnet Council. The council are proposing a 60% cut to the libraries budget. This could mean the closure of 6 branches or 10 branches reduced to 540 sq feet (just twice the size of the average British living room). Most libraries would only be staffed 40% of the time; CCTV and swipe cards would provide the only 'security' at other times.

Tell Barnet's politicians you oppose the cuts

Write to your MP theresa@theresavilliers.co.uk and tell her to lobby the councillors to reconsider. Write to your local councillors, who will be making the decision.

Tell them why your local library is important to you and your family

Sign the petition (currently 9,500 signatures)
