**Subject: Community Partnership – Thank You All**  
**PLEASE FORWARD TO ALL.....**

Dear John

I am writing to thank you and your colleagues for sharing your time and skills to decorate our premises and sort out our stamps. Your support will brighten our learners environment and create additional funds for our classes.

We were so happy to welcome you back again and in particular to see so many old friends and meet many new faces. The community spirit that has been created is an example to the whole of society that by giving a little time and love, you can make an enormous difference to vulnerable people. **THANK YOU ALL!**

Our ethos includes valuing people of all abilities and by creating a reciprocal relationship where we can give as well as receive, puts this into practice. It was a fantastic way of engaging our learners with our new Barnet friends. **THANK YOU ALL!**

Barnet could become the Champions for valuing vulnerable people and their Carers and we will continue to work in partnership with all who strive to make Barnet an example of being the best Local Authority for people who need that extra bit of encouragement to give them the quality of life they need and are entitled to receive from society. **THANK YOU ALL FOR HELPING US TO ACHIEVE THIS YESTERDAY!**

The Larches Community is always in need of volunteers to help us maintain and develop our services. They are our lifeblood. This was truly a massive transfusion. **THANK YOU ALL!**

With our love, sincerest thanks and hope that this is yet another experience of a lasting friendship with residents and workers in Barnet.  
Sincerely

**DEADLINE FOR OUR FREE VALENTINE COMPETITION IS SUNDAY 12<sup>th</sup> FEB MID NIGHT.**
